

ACTION ITEMS

Municipal Economic Development

*Pacific NorthWest
Economic Region*

Many of the states and provinces are each others' largest trading partners. PNWER's Trade and Economic Development Working Group collaborates with member states, provinces and territories to determine the best practices for economic development and inter-jurisdictional trade, as well as international trade between the region and international trading partners.

Action Items		Project Lead	Status
1	Collaborate with Workforce & Innovation working group on action items	Municipal Economic Development	In progress
2	Look at holding a session at the Winter Meeting in Boise.		In progress
3	Develop a template that municipal jurisdictions can contribute information regarding their asset inventory; identify metrics to include on template		In progress
4	Identify key stakeholders to engage in working group session moving forward		In progress
5	State of the Region report- a snapshot of economic development of the PNWER mega-region		In progress
