

## **Alicia Milner**

### **President Canadian Natural Gas Vehicle Alliance**

Alicia Milner leads Canada's national trade association for natural gas vehicles, the Canadian Natural Gas Vehicle Alliance ([www.cngva.org](http://www.cngva.org)). Under her leadership, the association has expanded its membership base and increased support for Canadian sector members active in export markets around the world.

During 2010, Ms. Milner led Canada's natural gas vehicle industry in working with a broad group of stakeholders including officials from Natural Resources Canada and provincial governments to develop the "[Natural Gas Use in the Canadian Transportation Sector - Deployment Roadmap](#)" which focuses on the potential environmental and economic benefits of increased use of natural gas for medium- and heavy-duty fleet vehicles in Canada.

A graduate of the University of Waterloo and the Richard Ivey School of Business at the University of Western Ontario, Ms. Milner brings strategic and entrepreneurial perspectives to association activities. Her previous work experience includes management of the Toronto Public Utilities Coordinating Committee, working as a Purchasing Manager for Procter & Gamble, and operating her own communications business.

Ms. Milner is a member of the Canadian Society of Association Executives and holds the Certified Association Executive designation. Ms. Milner also serves as a Vice Chair for the global natural gas vehicle association, NGV Global.
