

Andrew McVie is a Business Development Manager with FortisBC. In the past two years he has managed FortisBC's successful applications to the British Columbia Utilities Commission for the approval of end-to-end business models for a Renewable Natural Gas offering and the provision of refueling services for natural gas vehicle fleets. Andrew is presently working on FortisBC's plans to deliver LNG to remote locations for the generation of electricity and vaporization into unconnected distribution grids. Andrew has an MBA from the Sauder School of Business at the University of British Columbia and a Bachelor of Arts from the University of Victoria.
