

**Christopher P. Moscardelli**  
**Director, Energy Project Finance**  
**Société Générale, New York**

Mr. Moscardelli joined Société Générale's Energy Project Finance Group in New York in 2000. His primary focus is originating, structuring, and executing advisory and capital raising assignments for projects in the energy sector, including power, renewable energy, transmission, and oil and gas projects throughout the Americas. He serves a wide variety of clients focused on energy project development, and he has participated in several large and important project finance transactions primarily in the U.S. and Canada.

Prior to joining Société Générale, Mr. Moscardelli worked as a Project Manager for Gannett Fleming, Inc., a civil engineering and construction management firm in Boston, Massachusetts. Mr. Moscardelli is a registered Professional Engineer (P.E.) in the state of Massachusetts.

Mr. Moscardelli has an MBA in Finance from Columbia Business School and a Bachelor of Science degree in Civil Engineering from the University of Notre Dame.
