Public-Private Partnerships in Washington

Anthony L. Buckley
Director,
Innovative Partnerships

Presentation to PNWER
July 26, 2017
Overview

- Washington State’s Approach to PPP’s
- Unique Challenges
- Current Opportunities in the Pacific Northwest Region
Washington’s **PPP Act: Transportation Innovative Partnerships**

**Key Elements:**

- Public sector owner will decide highest-priority projects for PPP development (project registry)
- State highway toll projects must be financed with state bonds
- Legislative approval is (effectively) required for toll projects
Current Opportunities

- Colman Dock (Seattle) Ferry Terminal
- Anacortes Ferry Terminal
- Kingsgate Park and Ride (Kirkland, WA)
- US Trestle
