Amtrak Rail Passenger Service & PNWER

• **Challenges**
  - Reliability/On-Time Performance
    - Congestion
    - Weather
    - Track maintenance & improvements
    - Amtrak

• **Opportunities**
  - Continue to work closely with host railroad to coordinate schedule
  - Work within Amtrak to increase reliability of train operations
• Challenges
  – First Mile/Last Mile Connections

• Opportunities
  – Work with other transportation & travel partners to expand the reach of Rail Passenger Service
    - Expand Thruway Bus Connections.
      - Williston/Minot to Missoula
    - With travel partners, identify destinations of interest and work with local & regional transportation partners to provide first/last mile connections
