**Session I**

**Market Access**

*Co-chairs: Scott Rudderham, Canpotex*

- Expanding market access for natural resources in the Pacific NW: oil, natural gas, potash, coal
- Addressing regional rail, road, and port infrastructure needs
- Increasing public awareness of the benefits of the integrated supply chain and transportation system
Natural Gas Transportation

- High Level Overview of Natural Gas and British Columbia—Hon. Rich Coleman, Minister of Energy, Mines and Natural Gas, British Columbia
- Quick overview on the state of LNG and Trucks and a look at LNG in high horsepower applications (rail and marine) - Brian Dracup, Westport
- Overview of the Role of LNG in Mining Operations - Ian Burkheimer, Plum Energy
- Additional Speaker on LNG in Mining Operations
- Unique off the grid applications - Speaker from FortisBC
- Discussion and Development Action Items

Workforce Development

Co-chairs: Senator Maralyn Chase, Washington State; Colin Smith, Former President of APEG-BC and PNWER Private Sector Co-Chair

- Economic development opportunities through labor mobility
  - Best Practices between British Columbia and Washington State on recognition of trade certifications
    - Shana Peschek, Director, Construction Center of Excellence - Renton Technical Community College
    - Doug MacLaren, CEO, Resource Training Organization - British Columbia
- Mechatronics training programs
  - How cutting edge programs are adding skilled labor to the advance manufacturing and natural resource development workforce
    - Dr. Steve Addison, Director of Bachelor Degrees and New Program Development, Clover Park Technical College (invited)

Forestry

Co-chairs: Representative Mike Cuffe, Montana

Current Economic Impacts & Opportunities in Forestry: An overview of the benefits of the forestry industry for the PNWER Region

- Tom Partin, President, American Forest Resources Council, Perspectives on the U.S. Market, including the USDA’s recent support of innovative, sustainable wood building materials
● Perspectives on the Canadian Market, Including the B.C. Wood First Initiative

Current Issues, Trends and Challenges in Forest Management
Panel members are being confirmed from both the US and Canada
● Panel addressing such topics as:
  ○ Forest health and fire management, including international protocols for fire response
  ○ Climate change/climate adaptation
  ○ Forest management policy trends
  ○ Endangered species and federal impacts on state forests

● Action Item Discussion
  ○ Support for U.S. Administration initiative to move firefighting budget to FEMA to allow for Forest Service budget to be used for fire prevention and management

<td><strong>Working Group(s) Session II</strong></td>
</tr>
</tbody>
</table>

**Session II**

**Energy: LNG Development**

*Co-chairs: Senator Cliff Larsen, Montana; Gary Weilinger, Spectra*

Brief Opening Presentations on LNG Export Initiatives (10-15 minutes each)

*Current LNG Initiatives by jurisdiction and challenges each is addressing (ex. skills/labor, environmental assessments, community engagement, safety and shipping) as well as a perspective from potential markets.*

- Province of BC – Hon. Rich Coleman, BC Minister of Energy, Mines and Natural Gas and Minister Responsible for Housing and Deputy Premier
- State of OR – Senator Arnie Roblan, Oregon
- State of AK – Joseph Balash, DNR Commissioner for Alaska
- Markets –Yuen Pau Woo, Asia Pacific Foundation of Canada

LNG Panel: The speakers will be asked to give a 5-7 minute overview of their topic, followed by a moderated dialogue.

*Draft Questions*

1. *What are the long term implications of this development for North America?*
2. *Would the market support Alaska, BC and Oregon projects?*
3. If one or more of these projects moves forward, what are the workforce impacts across the region?
4. What are the safety, security and environmental impacts?

Moderator: Andrew Walker, BG Group
- Upstream/project development including liquefaction- (TBA)
- Pipeline - Doug Bloom, Spectra
- First Nations Leader (TBA)
- Labour/skills perspective (TBA)
- Mr. Larry Persily, Federal Coordinator, Alaska Natural Gas Transportation Project

Discuss Action Items and Next Steps

Mining
Co-chairs: Karina Brino, Mining Association of B.C.; Sen. John Coghill, Alaska
- Mineral Overview of the Region: Presented by Co-chairs Karina Briño (B.C.) and Sen. John Coghill (Alaska)

- Topic I: From Discovery to Reclamation: the Cost and Value of Building A Mine
  - Cross-jurisdictional comparison in mine development in the U.S. and B.C./Canada:
    - Regulatory Framework
    - Challenges
  - Looking to the future
    - Innovation and Productivity
- Speakers: Dr. Rajive Ganguli (confirmed) Department Chair of Mining and Geological Engineering at the University of Alaska Fairbanks; Greg Beischer (confirmed), Millrock Resources

- Topic II: Transparency: Governments across the globe have been working to develop and implement regimes for the mandatory disclosure of payments to governments in their own countries and for domestic companies operating abroad.
  - EITI and Dodd-Frank in the U.S.
  - Resource Revenue Transparency or Mandatory
● Discuss Action Items

Ocean Policy
Co-chairs: Sen. Arnie Roblan, Oregon; Molly McCammon, Alaska
Observing Station

● Marine Spatial Planning
  ○ BC’s experiences with the Integrated Marine Planning Process
    ■ Charlie Short, Co-founder and Chair, Coastal Wildlife Research Foundation
  ○ Oregon’s Experience with Marine Spatial Planning and Marine Renewable Energy
    ■ Paul Klarin, Oregon’s Marine Affairs Coordinator

● Panel Discussion on Oil Spill Preparedness and Response
  ○ Existing responsibilities and division of powers for spill response in the USA and Canada.
  ○ Given proposed increases in shipping, what additional resources do we need to have in place for world class response?
  ○ What are the preparedness and response issues and strategies for remote areas?
  ○ How to better coordinate geographic response plans in transboundary areas.

● Discuss Past Action Items:
  ● Update on Ocean Acidification
    ○ Washington State Senator Kevin Ranker
  ● Update on Ocean Energy
    ○ Oregon State Representative Deb Boone

● Discuss Action Items

Agriculture
Co-chairs: Patrick Kole, Idaho Potato Commission; Herb Cox, MLA Saskatchewan

  ● Martin Rice, Canadian Pork Council (CPC)
The Honourable Rob Merrifield, Member of Parliament

U.S. Food Safety Modernization Act and Safe Food for Canadians Act Presentation and Discussion:
- Implications for importers and exporters.
- Overview, progress and key issues and areas of concern.
  - Bob Ehart, National Association of State Departments of Agriculture (NASDA) (invited)
  - Tim O’Connor or colleague, Canadian Food Inspection Agency (CFIA) (invited)

Agriculture’s Role and Implications in International Trade Agreements - Presentation and Discussion:
- Overview of current Canada and U.S. trade negotiation activities.

Session I Energy & Environment
Co-chairs: Paul Manson, CEO Sea Breeze Power; Rep. George Eskridge, Idaho

Setting the Stage: Why is energy efficiency important?
We have been preaching EE for the last 10-15 years
- Losing an opportunity?
- More of the same?
- Need to change habits / human nature (culture change)

Panel on Energy Efficient Buildings
- Overview of efficiency developments in residential buildings
  Andrew Pape-Salmon, RDH Engineering
- Progress in Cities
  Representative from the City of Seattle
- State policy promoting efficiency
  Washington State

Industrial Energy Efficiency Panel
- New Afton Mine
- State Policy on Industrial Efficiency
  Oregon Department of Energy

- Discuss Action Items

Trade & Economic Development

Co-chairs: TBD

Overview of Importance of Bi-national Trade to the Region
- The Honourable Rob Merrifield, Member of Parliament

Canada-US Regulatory Cooperation Council update by officials
- Bob Carberry, Privy Council Office (PCO)
- Andrei Greenawalt, The White House Office of Information and Regulatory Affairs (OIRA)

Industry presentations on Canada-US regulatory issues
- Roundtable dialogue with RCC officials and industry

Key questions:
- What do you see as the biggest opportunities for Canada-US regulatory cooperation?
- What can industry do and how should stakeholders organize themselves to identify and advance Canada-US regulatory cooperation?
- How can we institutionalize the RCC to ensure it doesn’t disappear when a new administration takes over?
- What are are suggestions to improve stakeholder engagement?
Invasive Species I
Co-chair: Mark Sytsma, Portland State University

Zebra and Quagga Mussel Prevention: Building a perimeter of protection
- Lake Powell & Lake Winnipeg threats
  - Laureen Janusz, Fisheries Biologist, Manitoba Conservation and Water Stewardship and Kate Wilson Senior Director, Tight Oil and Gas, Alberta Energy and Environment (via teleconference)
  - Jordan Nielson, Aquatic Invasive Species Coordinator, Utah Division of Wildlife Resources
- Emerging issues, Early Detection and Rapid Response
  - Matthias Herborg, Aquatic Invasive Species Coordinator, BC Ministry of Environment
  - Stephen Phillips, Senior Program Manager, Pacific States Marine Fisheries Commission

Legislative Discussion to voice concerns and recommend solutions
This panel will explore recent legislation in the region, and other triumphs in invasive species legislation, and discuss the opportunities for regional collaboration, to create a perimeter of protection for the region.

- Washington State Senator Jim Honeyford
- Oregon Representative Bill Kennemer
- Montana Representative Mike Cuffe
- Alaska Representative Paul Seaton
- Alberta MLA Alana DeLong

Industry Initiatives to Prevent the Spread of Invasive Species
- Ballast water/Shipping industry
- Oil and Gas:
  - Encana Corporation
- Horticulture
  - Heike Stippler, Director of Horticulture at Invasive Species Council of BC, Advisor at Sea to Sky Invasive Species Council, and President at Heike Designs Inc.

Luncheon Keynote: Community Based Social Marketing
- Ken Donnelly, President, Beyond Attitude Consulting

Cross-Border Livestock Health I
Co-chair: Mike Nikolaisen, British Columbia Association of Cattle Feeders and Dr. Martin A. Zaluski, Montana Department of Livestock Animal Health Division
- RCC Working Group – Veterinary Drug Submission Harmonization

Dr. Mary-Jane Ireland – Health Canada
Dr. Steven Vaughn – Food and Drug Administration
- RCC Working Group – Zoning for Foreign Animal Diseases

Dr. Cheryl James – CFIA
- RCC Working Group - Meat and Poultry Certification

Dr. Richard Arsenault – CFIA (via phone)

Tourism
Co-chair: Dave Cowen, Butchart Gardens and The Honourable Naomi Yamamoto, Minister of Tourism and Small Business, B.C.
- Marketing and Product Potential in the PNWER Region
  ○ Tourism Dashboard
  ○ Aboriginal Tourism Development
- Tourism and Transportation
  ○ Visas, pre-clearance, Sichuan Air pilot, cost recovery
  ○ Two Nation Vacation and Norpass

12:15pm - 1:45pm

Keynote Luncheon featuring His Excellency Gary Doer, Ambassador of Canada to the United States of America (confirmed) and His Excellency Bruce Heyman, Ambassador of the United States of America to Canada (confirmed). Hosted by Cruise Lines International Association - North West & Canada

2:00pm - 5:00pm

Working Group(s) Sessions II

Session II
Energy Storage
Co-chairs: Rep. Jeff Morris, Washington, Chair of Committee on Technology and Economic Development, Member of Committee of Environment
- Energy Storage Industry Status Update with PNWER Regional Regulators
  ○ Dave Danner, UTC

Border Issues
Co-chairs: Dr. Don Alper, Western Washington University; and Simon Gibson, MLA, British Columbia
• BPRI Business Travelers Project Update
  ○ Ambassadors and Business Leaders Border Roundtable on the next generation of Beyond the Border
  ○ Ambassador Bruce Heyman, U.S. Ambassador to Canada;
  ○ Ambassador Gary Doer, Canadian Ambassador to U.S.
  ○ various business leaders TBD

• PNWER Border Clusters Pilot Project
  ○ Introduction to Pilot Project
    ■ Matt Morrison, CEO, PNWER
  ○ NEXUS Business Traveler
    ■ Steve Cryne, Prime Contractor, Canadian Employee Relocation Council
  ○ WA-BC Software Cluster
    ■ Microsoft (TBA)
  ○ Forestry/Mining Cluster
    ■ Representative Mike Cuffe, Montana State Legislature

• Border Modernization
  ○ Beyond the Border Update – U.S. and Canadian Federal Officials
  ○ What has been the follow-up to the CBP/CBSA – business stakeholder meetings?
  ○ Beyond “Beyond the Border” – What are the next steps?

• Development of Action Items

Invasive Species II
Co-chairs: Mark Sytsma, Portland State University

Invasive Controls: Success, Partnerships, Planning and Eradication
• Rat free Alberta:
  ○ Phil Merrill, Provincial Rat and Pest Specialist, Alberta Agriculture and Rural Development
• Biological Control of Invasive Plants – the BC Experience
  ○ Val Miller, Provincial Invasive Plant Officer, BC Ministry of Forests, Lands and Natural Resource Operations
• Pathways Based Risk Assessment: Marine Vectors
  ○ California Ocean Science Trust
• Pathways Based Risk Assessment: Marine Invasive Species
• Spartina
Cross Border Livestock Health II
Co-chairs: Mr. Mike Nikolaisen, British Columbia Association of Cattle Feeders and Dr. Martin A. Zaluski, Montana Department of Livestock Animal Health Division

- Animal Welfare Audits - What Works and What Doesn't
  Dr. Jennifer Walker – Dean Foods
  - A Canadian Approach to Farm Animal Welfare Policy
  Mr. Geoff Urton – BC SPCA
  - Animal Welfare - Panel Discussion
  - 2014 Action Item Review - Co-chairs and participants

Innovation
Co-chairs: Alana DeLong, MLA, Alberta and Dave Zepponi, Northwest Food Processors Association

- Best practices in Energy Efficiency in the Northwest
  ○ Pam Barrow, Director, Energy & Sustainability, Northwest Food Processors Association
- Pacific Northwest Innovation Best Practices Panel
  ○ Egils Milbergs, Chief Innovator, Washington Business Alliance and Center for Accelerating Innovation
  ○ Stephen Lougheed, President & CEO, Alberta Innovates Technology Futures (invited)
  ○ Greg Caws, President & CEO, BC Innovation Council (Invited)

**Session I**  
*Co-chairs: Bruce Agnew, Cascadia; Sen. Curt McKenzie, Idaho*  
*9:15-10:15*  
Aligning truck size and weights among states and between provinces:  
*Varying truck and size weight between Northwest states and Western Canadian provinces have hampered PNWER commerce and trade and been a major headache in moving oversized oil sands equipment from Asia to Alberta. This session will review government experiences and set a policy framework for future coordination with industry.*  
- **Jerry Whitehead**, Chair, Idaho Transportation Board  
  - Alberta Trucking  
  - BC Trucking  
*10:15-12:00*  
**Greening supply chains:**  
The PNWER region represents the nexus of the twenty year old NAFTA treaty and the fiercely competitive Asia Pacific trade corridor. Environmental stewardship increasing factors into marketing campaigns of competing ports. In the spirit of “Cooperate Regionally to Compete Globally” this session highlights best practices for Northwest port and border gateways in reducing diesel emissions and incentivizing environmental enhancements to shippers. West Coast states and the Province of BC are also cooperating on Clean, Green and Smart initiatives to reduce emissions though technology breakthroughs.  
**Moderator:** Steve Marshall, West Coast Corridor Coalition and CATES Seattle  
Northwest Ports Clean Air Strategy: Port Metro Vancouver
Green Gateway: Port of Seattle (Invited)
West Coast Collaborative, Dan Brown, EPA Region 10
Clean Border Gateways, Benjamin Teitelbaum, NAFTA Commission on
Environmental Cooperation, Montreal (Invited)

PNWER Legislators comment

University Presidents’ Roundtable

Arctic Caucus
Co-Chairs: Senator Lesil McGuire, Rep. Bob Herron, Alaska; Minister
Currie Dixon, Yukon; Minister David Ramsay, NWT
● Beaufort Regional Council
● Goals of the U.S. Leadership of the Arctic Council and the role
the Caucus can play
● PNWER partnership with Center for Strategic and International
Studies for a ‘Passing of the Torch’ conference Oct 7-8 in
Washington, DC to discuss the April transition from Canadian
leadership to U.S. leadership of the Arctic Council

Cross Border Livestock Health III
Co-chairs: Mr. Mike Nikolaisen, British Columbia Association of Cattle
Feeders and Dr. Martin A. Zaluski, Montana Department of Livestock
Animal Health Division
● Background information on Porcine Epidemic Diarrhea (PED)
Dr. Marty Zaluski – Montana State Veterinarian
● Porcine Epidemic Diarrhea (PED) in Canada and USA - effect or
transport - Presentation and Discussion
● Electronic Service Delivery Platform (ESDP) Pilot Project -
Presentation and Discussion
● Action Items

Water Policy
Co-chairs: Sen. Jim Honeyford, Washington; David Hill, University of
Lethbridge
● Water Management – Issues, Challenges and Opportunities
in the 21st Century
  ○ This information –sharing session will explore the
water management issues, challenges and
opportunities in each jurisdiction and the actions being
taken to address them.
Questions each speaker to address:
1. What is the breadth of your jurisdiction’s water management mandate (e.g. programs, goals, and outcomes)
2. What are the top 3 water management issues and challenges that your jurisdiction faces now and in the future?
3. How is your jurisdiction responding to these issues and challenges? What role can PNWER play to help tackle these challenges?

Overview from each state/province:
Washington State Senator Jim Honeyford
Montana, Kathy Williams
British Columbia, Lynn Kriwoken
Alberta, Andy Ridge
Oregon; Idaho; Alaska; Saskatchewan; Yukon; Northwest Territories

Discussion: Issues, Challenge and Opportunities in the 21st Century: What Can We Do Together to address important water management issues in the Region?

Introducing B.C.’s New Water Sustainability Act
○ Lynn Kriwoken, Executive Director, BC Ministry of Environment
