1	Compile a brief pre-clearance information sheet that will present a business case for pre-clearance. The purpose is to educate elected officials on what the legislation means for different industries	Bruce Agnew, Dave Cowen, Rob Eaton, Alroy Chan, Brandon Hardenbrook	Bruce Agnew				
2	Compile details and share widely Sarah Swanson Partridge's story of the frustrations and inconsistencies associated with the cross-border movement of farm equipment as an example of the need for improved communication and standardized procedures at the border, particularly for small business owners, at smaller crossings. Work with relevant federal agencies to address specific concerns.	Sarah Swanson Partridge, Laurie Trautman	Laurie Trautman				
3	Pre-clearance task force will continue to meet and explore options for two track legislative process as well as a potential pilot project during the interim period before Congress passes legislation authoring pre-clearance. The task force will pursue these issues and will continue to asses the movement, timing, and potential of the legislation to pass.			Rob Eaton, Alroy Chan
